BULL SALE

Bred for Quality & Performance

55 Speckle Park Bulls

50 Speckle Park x Angus Commercial Heifers

Friday 19th May, 2017 - 1pm

'Mount Mill', Coolah Creek Rd, Coolah

Live on AuctionsPlus

www.minnamurra.com.au

Welcome to Minnamurra

Welcome to Minnamurra's second annual bull sale, the inaugural sale at "Mount Mill", our new property at Coolah. We feel that the facilities here are well suited for showing off our bulls, and should provide us with the ideal selling conditions for years to come.

A lot has happened to the breed in the last two years, both in its profile and the standout results that have been achieved in feedlots and carcass competitions around the country. Minnamurra is proud to have won the Beef Spectacular Carcass award for three years running, a testament to the quality of our cattle, and so proving to the industry that there is more to this breed than their distinctive colour. (A summary of our results are listed in the centrefold of this catalogue).

Minnamurra is committed to continuing to promote the breed through carcass trials and by supplying consistently good lines of first cross cattle to feedlots and abattoirs along the east coast.

We have continued to source the top genetics from Canada, and this sale offers for the first time bulls by Royal Flesh, the stand out bull at Agribition this year, and first cross heifers by So Long George. We are proud to own a share in the world record priced Speckle bull, River Hill Crusader 25C, and also to own the Australian top priced bull, Wattle Grove Project A. Our aim is to supply easy doing cattle suited to Australian conditions that will give the commercial breeder an edge in the highly competitive beef market. We look forward to seeing you on sale day and wish you well with your purchases.

Minnamurra Pastoral Co's Dennis Power and David Reid with the world record selling Speckle Park bull, River Hill Crusader 025C, and breeders Cory, Carla and Barry Ducherer of River Hill Farm.

Dennis Power 0427 734 254 dennis@minnamurra.com.au

SALE INFORMATION

GETTING THERE

“Mount Mill” is situated 10km from Coolah, NSW. See map on inside back cover. Sale starts at 1pm.

PHONE BIDDING: Contact Agents 24 hours prior to sale.

SELLING SYSTEM AND BUYER'S REGISTRATION

All lots will be sold subject to the usual terms and conditions governing auction sales. Intending purchasers should obtain a Buyer's Number and registration slip available from the selling agents prior to the sale.

THE MINNAMURRA GUARANTEE

Any Minnamurra Speckle Park bull that proves to be structurally unsound, infertile or incapable of service is guaranteed for up to 6 months from date of sale.

Under these circumstances Minnamurra will replace the bull with a satisfactory substitute if available or issue a refund equal to the purchase price, less the salvage value.

The guarantee covers the purchase value of the bull, without interest, cost and damages. The guarantee shall apply providing the bull's incapacity is not caused by injury or disease contracted since leaving the sale. A veterinary certificate must be supplied by the purchaser on request.

If any bull that is purchased does not possess a reasonable fertility, although not totally infertile, any dispute that may arise shall be settled by an arbitrator appointed by the auctioneers and must be lodged within 6 calendar months from date of sale.

We recommend that all purchasers discuss injury insurance of their bulls at the sale with Elders Ltd or their Agent. This guarantee is in addition to the normal terms and conditions governing auction sales.

HEALTH TREATMENTS

All the sale bulls have been vaccinated for Vibriosis prior to sale. We recommend annual boosters are given to all bulls. All of our bulls receive 5 in 1 vaccinations at three-months of age, six weeks later and a booster as a yearling. They are drenched at weaning and periodically according to worm counts. All bulls are from Johnes protected status.

For bulls travelling to tick areas, Minnamurra will agist bulls for up to 2 weeks at the buyers risk until vaccinations can be arranged.

All Minnamurra bulls are examined by a veterinarian prior to sale day which includes palpation of the sexual anatomy and the circumference of the testicles. The jaw is checked for correct bite.

FEED REGIME

The bulls were paddock reared and have been supplementary fed with pasture hay and pellets since March.

PRIOR USE

All K bulls listed in the sale were used as cover bulls in Minnamurra's internal commercial AI program last year. They have had minimal use and have been vet and semen tested prior to the sale. They carry the full Minnamurra guarantee.

SEMEN RIGHTS

Minnamurra retains the semen rights for in herd use only in a number of bulls in this catalogue, as noted under the lot number. If the right to collect semen is exercised, Minnamurra will consult with the new owner of the bull to arrange a convenient time for collection, with the cost of collection being paid for by Minnamurra.

FREIGHT

All bulls must be transported from Mount Mill by sundown Saturday. Formal possession, risk and expenses passes to the buyer at the fall of the hammer. Minnamurra can arrange transport through, and recommends, Dick Smith Transport.

Steven Smith 02 6882 2463 or
mob 0428 636 236

PRE SALE INSPECTION

Bulls will be yarded by 8.30 am on the morning of the sale. Inspections are welcome at other times by arrangement.

CATERING

Morning tea and lunch will be provided at the sale.

NO VERBAL INSTRUCTIONS

Please fill out the buyers instruction sheet available on sale day from the office.

AGENT'S REBATE

A 2% rebate will be paid to all settling agents who accompany their clients on sale day or who introduce their clients in writing by fax or email at least 24 hours prior to the sale to EldersTamworthContacts@elders.com.au

GST

Bulls will be sold GST exclusive i.e. If the bull is knocked down for \$5,000, you will be charged \$5,500.

SUPPLEMENTARY SHEET

Updated weights, scans or any other new or relevant information will be available on sale day.

SALE DAY PHONES

Telstra reception is poor at the sales complex. Optus SIMs can be provided to agents for the day by prior arrangement.

AUCTIONSPLUS

The sale is interfaced with AuctionsPlus and will be conducted live on line in real time. For those not able to attend the sale, new users must register 24 hours prior to the sale in order to bid. Note that transport must be organised sale day.

REFERENCE SIRES:

Six Star Royal Flesh Y101

His sons and daughters won 7 out of the 14 awards at Agribition this year, including Grand Champion Female. They exhibit extra growth compared to other sires, with high IMF and EMA scores, and his daughters have great udders and milk flow. His legs and feet are structurally perfect and has good testicular development. A leading sire in the Speckle Park breed.

LOT 3 L81 MINNAMURRA LEANDER L81 (ET)

Leander L81 is one of the first Royal Flesh bulls to be offered in Australia. A bull we regard as one of the best to be offered by MPC, it is very rare to have a bull top his contemporary group for every trait. Leander L81 is the highest weight for age, EMA, Rib and Rump fat scanning bull of the group by a clear margin and still 2nd and 3rd for scrotal and IMF. **MPC retain the right to collect 200 straws for in herd use at a time convenient to the purchaser.**

MAXIMISE YOUR PROFITS WITH MINNAMURRA SPECKLE PARKS

To get objective performance results for their Speckle Park cattle, Minnamurra have benchmarked their cattle against all comers in various feedback trials over the last three years.

Quoting from the Feedback Trial Report published in The Land in February 2017 titled "Consistency Key to Success", Brett Tindal said "that in recent years there had been some consistent performers like Minnamurra Pastoral Company, who have entered for the first time in 2015, where they dominated the competition with four teams of Angus/Speckle Park cattle finishing third, eighth, ninth and 10th, along with first, second and third in carcase performance, taking home all prizes in this section. They finished second, fifth, eighth and 12th in 2017, along with the Riverine Premium Title again. They have since continued this dominance with teams in the top 10 in 2016, before taking out the champion carcase title that year and Reserve Champion Riverine Premium, where all five steers marble scored two or above".

Paddock to Palate 70-day winner Dennis Power (centre), Minnamurra Pastoral Co, "Glenrowan", Boggabri, with Duane Woodham, JBS, and The Royal National Agricultural and Industrial Association of Queensland (RNA) councillor Liz Allen.

"It was such a highlight going through the boning room yesterday Dennis – there is no doubt they were an exceptionally consistent line of bodies and a real credit to the Minnamurra breeding program.... We were exceptionally happy with their performance on feed and how they hung up".

Berry Reynolds, Private Client Manager. Mort & Co Ltd

"Over the last few years Minnamurra Pastoral Company have supported Bindaree Beef with supplying cows and good quality MSA cattle in alignment with our Branded beef programs. The cattle are always presented as described, and are suitably matched to the MSA programs. It is a credit to the Company for how well the cattle are handled, and delivered. It's a pleasure taking delivery of these cattle, knowing how well they will grade".

Andrew Simmonds, Livestock Manager. Bindaree Beef Pty Ltd

In an initial trial, Minnamurra Speckles "averaged the marble score and MSA grading compared to our quality Angus, but they had around 0.5% better dressing percentage".

Steve Martin, General Manager Feedlot Operations. Kerwee Lot Feeders Pty Ltd

Results for Minnamurra Speckle Park x Angus Steers:

Primex 2013

1st & 2nd Eating Quality MSA Score, Individual animal
3rd Carcase Performance, MSA Score & Yield, Individual animal

7th Paddock to Plate team overall

Beef Spectacular 2017

Riverine Premium Beef Champion Pen
Reserve Champion Pen of 5 Steers
2nd, 5th & 8th in team performance out of 81 teams

"Speckle Park has a breed-unique trait of high intramuscular fat without excess marbling – when cooked this largely dissipates leaving a highly flavoursome, tender and healthy meat to eat. Importantly, all the benefits of the breed come out in the first cross, so Speckle Park bulls put quality and performance into your herd".

FI HEIFERS

Fifty unjoined heifers out of some of Minnamurra's best Te Mania blood Angus commercial cows are offered for sale in pens of ten. These heifers are part of Minnamurra's commercial AI program, and are mostly by Codiak's So Long George 6Z, the rest being by Anchor E229, who was used as a cover bull. Just 13 months old, these lovely full frame heifers are like peas in a pod. Quiet in temperament, they are used to being handled by horses and dogs, and should fit in the top end of any commercial herd. Their brothers have been winning carcass competitions up and down the country.

Lot 55	10 x F1 Heifers
